Food And Agriculture Department.

G.O.Ms.No. 1328 Dated 3-11-49.
Read the following:

From the Director of Agriculture letter No. Z.3.374/49 dated 17-9-49.

O R D E R :

The Director of Agriculture has reported that some of the officers of the Agricultural College at Coimbatore and the Agricultural College at Bapatla, which are affiliated to the Madras and Andhra Universitie respectively, have to do work connected with those Universities in different capacities such as members of the Board of Studies in Agriculture, Examiners etc. In that connection, these officers have to visit the two Colleges or other places, if necessary for attending meetings, conducting examinations etc.,. According to rule 99-B of the Madras Travelling Allowance Rules, Government servants who attend meetings of University bodies not as ex-officio members, but as nominated or elected member should draw from the University authorities, travelling allowance in accordance with the University rules and will not be eligible for any other concession. The travelling allowance admissible under the University Travelling Allowance Rules is said to be less than that admissible under the ~~Madf~~ Madras Travelling Allowance Rules. The Director of Agriculture has pointed out that the officers sometimes cobine departmental work wit University work and attend to both in the course of their tour , and has suggested that in such cases, an officer concerned should in the first instance claim from the Uni versity the travelling allowance due to him under the University Travelling Allowance Rules and then make a claim on the Government for the balance if any, that may otherwise be due to him had he claimed travelling allowance according to the Madras Travelling Allowance Rules. His Excellency the Governor of Madras, accepts the suggestion of the Director of Agriculture and directs that the above procedure be followed in the matte of drawal of travelling allowance by the officers of the Agricultural Department, with effect from the date of thi order subject to the condition that the total amount of Travelling Allowance claimed from both the Government and the University concerned in respect of any particular tour should not exceed the amount whidh would be admissible under the Madras Travelling Allowance .

Care should be taken that travelling allowance not claimed seperatley both under the University rules and the Madras Travelling Allowance Rules for the same journey resulting in double payment.
